

AMERICAN STUDIO DOVETAILED BOX

Description

A rectangular box in satin-finished walnut and birdseye maple with dovetailing to both body and lid, large wood hinges, and a spring-loaded button closure. Aside from what seem the artist's carved initials "HMK" to the underside, the design is unattributed but its craftsmanship illustrates exacting attention to detail. Likely late 20th century.

4.75 h x 12.5 w x 8.5 d

Condition: good, age appropriate wear

\$1,500
