

AMERICAN STUDIO PAIR OF STOOLS IN WALNUT, 1971

Description

A sculptural pair of American Studio Craft footstools in walnut with leather cushions by San Francisco-based woodworker, Michael Bock. One foot on each example is squared off so that they may be joined side by side and present as a small bench. Signed and dated 1971 to the underside.

17 h x 20.75 w x 18 d

Condition: good, age-appropriate wear

\$6,200
